MATTAPOISETT TOWN CLERK DIES

It is with deep regret that we report the death of Mattapoisett Town Clerk Joseph Magilton of Pearl Street, who died suddenly at St. Luke's Hospital late Sunday. Mr. Magilton was hospitalized on Saturday when he was taken there by the Mattapoisett Police cruiser at 2 P.M.

He was 48 years old and has served Mattapoisett as Town Clerk for the past 13 years.

Mr. Magilton was afflicted with polio 30 years ago and underwent treatment at Warm Springs, Georgia on two occasions. Joe was known for his cheerful attitude and deep interest in sports, particularly baseball, past and present.

He served as chairman of the Mattapoisett March of Dimes Committee for 20 years. He was a member of the Registry of Voters, the Machacam Club, the Mattapoisett Historical Society and the Plymouth County Clerks Association.

Besides his widow, Mrs. Margaret (Johnson) Magilton, he leaves two children, Shirley Louise and John Hudson, and a sister, Mrs. Frederick LeBaron, of Mattapoisett.

LETTER TO THE EDITOR

February 3, 1961

To the Editor
Presto Press
Mattapoisett, Mass.

Dear Sir:

It is with genuine interest that I have read the several articles and listened to the many small group discussions concerning the Regional School Committee, with corresponding extolling and condemning of their recent activities.

This Committee has been working on the establishment of a school since 1958, but not until the recent resignation of Mr. Hagen has there been any great amount of public discussion concerning their work. Recently with the consideration of the budget, teachers' salaries and other features concerning the operation of the school there has developed a wave of dissatisfaction concerning the committee's activities.

It is my humble belief that articles and offhand discussions somewhat colored by personal prejudice and incomplete information cannot clarify such situations but can of themselves only add to the confusion.

Is it not possible that in the spirit of fairness that some independent civic minded organization could sponsor a hearing for open discussion of the subject. It seems certain that, like myself, the people of Mattapoisett

are extremely interested in a good school system with the best qualified teachers. Should they not have the opportunity, and are they not entitled to judge for themselves that this is being accomplished in a proper manner.

I feel that we should ask for both the committee's as well as Mr. Hagen's views on the subject.

Being frequently censur'd and condemn'd by different Persons for printing Things which they say ought not to be printed, I have sometimes thought it might be necessary to make a standing apology for my self', and publish it once a year, to be read upon all Occasions of that nature.

The Opinions of Men are almost as various as their Faces.

That the business of Printing has chiefly to do with Men's Opinions; most things that are printed tending to promote some or oppose others.

That it is unreasonable in any Man or Set of Men to expect to be pleas'd with everything that is printed, as to think that nobody ought to be pleas'd but themselves.

Printers are educated to the Belief, that when Men differ in Opinion, both Sides ought equally to have the Advantage of being heard

Benjamin Franklin,

Pennsylvania Gazette
(excerpts from)

TO THE HONORABLE Mr. FRANKLIN,

Thank you for your words which although written some years ago, have to do with the affairs of men which change so very little as events change so swiftly. We think that you would be pleased to know that, in the year 1961, citizens of the Republic which you helped to create, still have the spirit to differ and take an active interest in all forms of their government. We note with interest and wry humor that you were "frequently censur'd and condemn'd" and feel much sympathy with your problem. The business of printing hasn't changed much either, nor has the importance of presenting all sides of opinion to the public.

THREE CANDIDATES FOR SELECTMEN

A three-way battle has shaped up for multiple offices for Selectman, Assessor of Taxes, Board of Public Welfare and Board of Health, and for the three year term on the School Committee in Rochester.

Veteran selectman Raynor M. Gifford of Hartley Road started his political career in 1917, when he first served on the School Committee, and several years later he was elected Selectman, a position he had held since 1923.

Opposing Mr. Gifford are Edwin T. Kucharski of Cushman Road and Frederick W. Underhill of Neck Road. Mr. Kucharski is a newcomer to the political field having just been appointed to the Board of Registrars of Voters in February. Mr. Underhill is a member of the Rochester Finance Committee.

In the battle for the three-year term on School Committee, Mrs. Vera B. Underhill, incumbent, of Neck Road, is being opposed by Mrs. Priscilla E. Weller of County Road and Mrs. Barbara Jean Winsor of North Avenue.

In other contests, tax collector and treasurer, Richard E. Nolan of Alley Road, incumbent, is being opposed for the third time by A. Barton Cummins of New Bedford Road. The combined offices of tax collector and treasurer are for the term of one year.

Running for town moderator is Harry A.

James Hubbard won top honors in loss tallies and Mrs. Dorothy Nunes was high scorer. Mrs. Janice Mullaney won a valentine cake donated by Mrs. John Carlos. Refreshments were served. A pinao solo was given by Master Thomas Borges.

GIRLHOOD CHUMS GIVE DAUGHTERS SAME NAME

Two former Rochester girls, who were childhood chums, have since married and living in different states, gave their newly arrived daughters the same name.

Mrs. Robert Hartman (Annette George) of Omaha, Nebraska and Mrs. Henry F. Liffers (Peggy Hartley) of Wareham both gave birth to their third child and first daughter in January.

Unknown to each other Mrs. Hartman and Mrs. Liffers named their daughters, Susan Marie.

BALSAM-WOOL *quality insulation*

Balsam-Wool sealed blanket insulation is actually so tough, so rugged, that it easily sustains the weight of a heavy man. And the serious purpose of such a test, of course, is to show why Balsam-Wool has the stamina to stand up under handling during application and assure a tight, continuous insulation job in YOUR home.
